If you have not previously provided us with your TFN and wish to do so now please tick the box below and quote your TFN:

Yes I agree to provide my TFN which is

If you are rolling over, please tick the box below if you do not want us to pass on your TFN to your nominated superannuation fund or retirement savings account provider.

I do **not** want to pass on my TFN

Under the Superannuation Industry (Supervision) Act 1993, we are authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change.

We may disclose your TFN to another superannuation fund, when your benefits are being transferred, unless you write to us and request that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However giving your TFN will have the following advantages (which may not otherwise apply):

- SuperTrace will be able to accept any Superannuation Guarantee shortfalls; and
- the tax on any Superannuation Guarantee shortfalls paid into your account will not increase; and
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits; and
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

Section 11: Declaration and authorisation

By signing this request form I declare as follows:

- I have fully read the form and the information completed is true and correct.
- I am aware I may ask the Trustee for information about fees or charges that may apply, or any other information about the effect this payment/rollover may have on my benefits, and do not require any further information.
- If my new fund is a self managed superannuation fund (SMSF), I confirm that I am a member, trustee or director of a corporate trustee of the SMSF.
- If transferring to a SMSF, I am aware that SMSF's are subject to the same rules and restrictions as other super funds when benefits are paid out. In particular, superannuation benefits in a SMSF are required to be 'preserved' meaning they are not generally able to be accessed, unless I am over age 55 and permanently retired.
- Where my benefit is being withdrawn, I acknowledge that tax may be deducted from the benefit and I will not have the right to rollover the benefit.
- If I am signing under a Power of Attorney, I have not received revocation of the Power.
- If I am requesting payment of benefits to me (rather than rolling over to another fund) or rolling over to commence a pension, I have satisfied a condition of release.
- I discharge the Trustee of all further liability in respect of the benefits paid and/or rolled over to my new superannuation fund.

I hereby authorise the Trustee of SuperTrace to pay my benefit as requested.
